Message From The President

Welcome to East Central Community College Warrior Athletics. Warrior Athletics is a vital part of our College. Over 220 men and women compete in organized athletics at EC. These student athletes have the opportunity to continue participating in athletics beyond the high school level. Further, their athletic abilities provide a means for them to attend college and pursue their educational goals.

We are extremely proud of all of our athletic programs at East Central. Each program contributes its own unique qualities to the overall athletic program of the College. Several of our athletic programs excel each year and over time all of the programs will have an opportunity to extend their season.

A special thanks is extended to all of the coaches who work with these young men and women. They instill in their players a work ethic and a commitment to excellence that will serve the students well as they move to the next chapter in their lives. The lessons learned through athletic competition remain with the student athletes long after they have moved beyond organized athletics.

You, the fans of Warrior Athletics, are a significant part of East Central. Your support of the College's athletic programs is important to all of us, especially the student athletes. The reward for all of the athletes' hard work of practice and conditioning is the support of the fans on game day.

Phil A. Sutphin
President

We are also thankful for the support we receive from the administration, faculty, staff and students at East Central. We hope that this season will be one you will always remember and be proud of.

Sincerely,

Clark Lost His Battle

But, Won Over His Players

A then healthy Jamie Clark displays a plaque the Diamond Warriors received after capturing their first state championship in 1998.

Reprinted from the Meridian Star issue Friday, July 20, 2001 by Marty Stamper

Thought for the day: Sometimes you have to laugh to keep from crying. Sometimes even that's not enough.

I can remember the first time I met Jamie Clark. He had just been approved as baseball coach at East Central Community College and was standing in the parking lot on top of the Warrior baseball field. As fate would have it, he spent most of his 14 years at EC trying to get his teams to the top of the hill. "Tell me about the baseball around here," Clark said after we had introduced ourselves. "It's pretty bad," I told him. "They won three games last year. Played 32." When he didn't jump in his truck and head back to the Delta, I thought he either knew something I didn't or else he was just plain nuts. After all, the two seasons before he took over in the fall of 1987, the Warriors went 2-28 in 1986 and 3-29 in '87. There were many reasons why the EC baseball program was so bad then...no scholarships, a small district in which several high schools didn't even play the game, and not exactly a glut of talent at the ones that did. So when EC went 17-25 his first season, it was nearly a time for rejoicing. At least now, the team *might* win. A 20-19 showing in 1989 started a run of 11 straight seasons with at least a break-even record.

Warriors win pennant

Clark always liked a good laugh. I'll never forget finding a cassette in the early 1990s that had the call on Bobby Thomson's

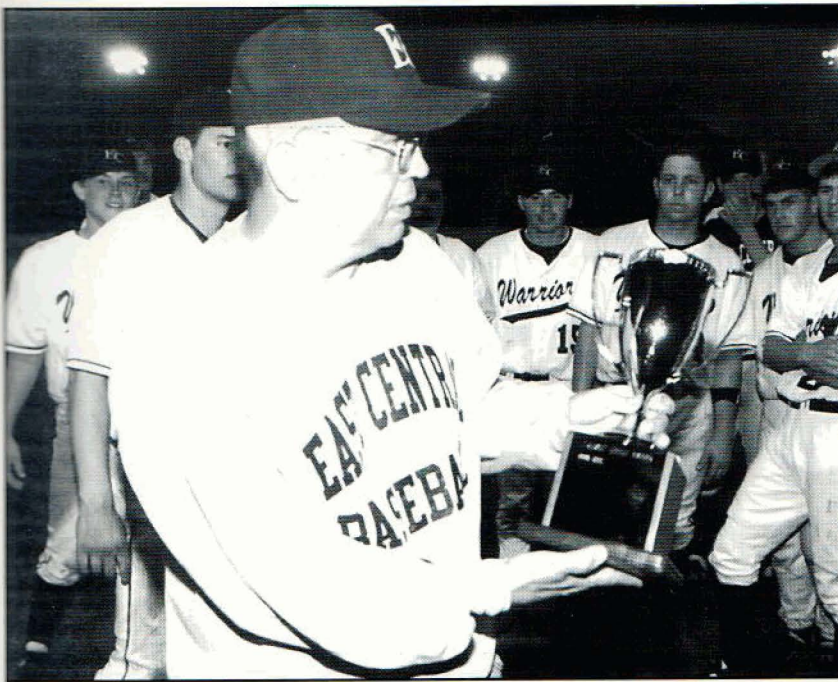

famous home run—"the Giants win the pennant, the Giants win the pennant"—playing it, and then kidding Jamie about when was he going to win a pennant at EC. "Boy, wouldn't that be something?" Clark said with a far away look. EC? Win a championship? Not as long as Gulf Coast, Pearl River, and Hinds had teams. A rules change that allowed schools to get players from beyond their district opened the door and Clark worked hard recruiting and began fielding some very competitive teams—with the 1996 squad starting a string of five straight appearances in the Region 23 Tournament. A 40-18 showing in 1997 set a school record for wins that still stands. That team was the MACJC state runner-up to traditional powerhouse Gulf Coast. In 1998, Clark's vision came true as the Warriors won the MACJC State Tournament at Scooba. An opening-day win over East Mississippi put EC in the winners' bracket where the Warriors rallied from a 6-0 deficit to beat Gulf Coast 9-7 in the second round.

On a splendid spring Sunday afternoon, the Warriors finally reached the top of the hill, beating Gulf Coast again for their first state championship after spotting the Bulldogs an early 8-3 lead. A program that once couldn't win back-to-back games was now the state champion. "It's a happy day in Warriorville," Clark said following the trophy presentation. "For these guys," he said pointing at his squad, "and for a lot of former Warriors too."

Clark Loses Battle

Indeed, it was a glorious day. But that was then. Clark lost his battle with an inoperable brain tumor Wednesday night (July 18) at his home in Decatur. He went from a picture of health at the start of the 2000 fall drills to receiving the medical prognosis of his remaining time on earth just a few weeks into 2001. "You can't complain about tough breaks," Clark said after coaching a doubleheader with Northwest on February 14. "It just isn't fair to do that. A lot of children die every day, don't they? What about them?" And that's how he faced his unbeatable foe...with all that he had.

Already badly weakened, Clark could only watch as his players and managers took care of the cleanup chores that chilly

Clark, diagnosed with an inoperable brain tumor prior to the start of the 2001 campaign, continued his coaching duties throughout most of the season. Flanked by team members, he is shown holding the Judge's Cup, presented following the Diamond Warriors' 7-6 win over rival East Mississippi Community College on April 5.

day. He thanked them; knowing they probably had some Valentine's Day business to tend to. "East Central baseball has a lot of special players and a lot of special people," a misty-eyed Clark said knowing full well of their willing sacrifices for him.

Jamie, Mickey, and the Babe

Baseball games were only a small part of Clark's legacy. You'll find many of his former players coaching today-see Philadelphia's Scott Hill, Neshoba Central's Brian Jones, Enterprise's Mark Davis, Forest's Luke Gibbon, Noxapater's Zach Sanders, Winona's Gregg Perry, or even EC assistant coach (now interim head coach) Jake Yarborough as proof. Ask them how their time at EC helped prepare them for their life's calling and you'll learn about Clark. Being on time and doing a job every day without expecting a big reward were traits Clark demanded. If you were there to play baseball, then you weren't there to break curfew, skip class and frequent the watering holes other students often managed to do. He'd much rather have a player with just above average ability who

would work hard to get better than a star who was content with his ability. As former player Craig Vowell said earlier this spring: "We were talking about Coach Clark when we first found out about it. A lot of guys didn't like him when they were there, but we'd all say we are better men today because of him." Clark was definitely proud of the '98 championship team, but his players that made the honor roll each semester were his real pride and joy. Some would go on to play at four-year schools-including two who appeared in the NCAA Division I College World Series-and a few have played for minor league professional teams. But he knew that most of his players would make their living in a more traditional role and helping create solid citizens was a top priority. One goal that Clark didn't attain was winning a Region 23 Championship. "We're just two players away...", he'd always say with a long pause. "Babe Ruth and Cy Young." Clark is probably busy now trying to get those two on his new team. Joe DiMaggio, Mickey Mantle, and Eddie Matthews are probably high on his list of recruits, too. Can't you imagine Jamie trying to get the Babe to make curfew? Or maybe lead off an inning with a bunt? Yet you know he'd try. (Clark loved limericks and we spent many hours making them up. Just ask his family. Here's one for old times' sake)

There once was a coach named Clark,
Who brought a program in from the dark.
You may question his sense,
But on the right-field fence,
You'll see that he made his mark.

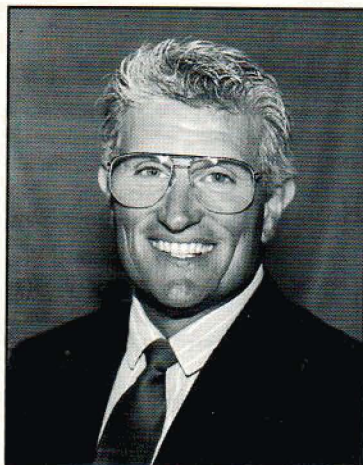

Services for Clark were held Saturday, July 21, in Clarke-Venable Baptist Church in Decatur with burial in Caile Cemetery in Belzoni. The Reverends Chris Vowell and Stan Buckley officiated. Barham Funeral Home was in charge of arrangements.

A graduate of West Point High School and Delta State University, Clark is survived by his wife, Audrey; daughter, Nicki; and sons, Billy, Kevin and Daniel.

NJCAA Academic All-Americans

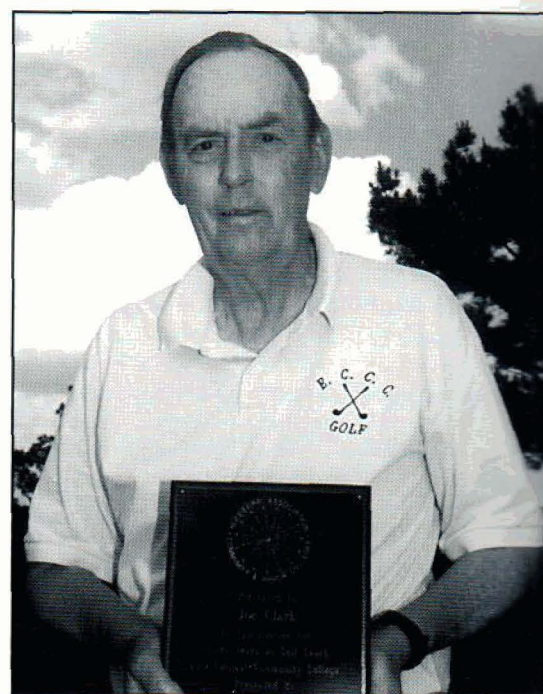

These former student-athletes at East Central Community College were named National Junior College Athletic Association Academic All-Americans for the 2000-01 college term. Recipients of the prestigious honor must have participated in one or more sports recognized by the NJCAA. Academic All-Americans must have a cumulative grade point average of 3.6 or better on a 4.0 scale, while Distinguished Academic All-Americans must have earned a 3.8 GPA or above.

Students receiving either honor are required to complete at least 45 semester hours or 60 quarter hours. Honorees and their respective sports areas include (from left) Ashely Jones of Forest (Softball), Brandy Burnett of Louisville (Tennis), Chris Webb of Neshoba Central (Basketball) and Kristi Moore of Noxapater (Tennis). Not pictured is Kasey Comans of Newton County Academy (Tennis). Jones, Burnett, Webb and Comans were named on the Distinguished list. The outstanding group will be featured in Juco Review, the official NJCAA publication.

Coach Joe Honored

Retiring East Central Community College golf coach Joe Clark displays a plaque he received from the Mississippi Association of Community and Junior Colleges Golf Association in recognition of his 30 years service in leading the Warrior golf program. Coach "Joe" was also named MACJC Golf Coach of the Year after successfully leading the ECCC golfers during the 2001 campaign. The Warrior linksters placed third in the Region 23/MACJC Division III Golf Tournament held at the Pinebelt National Golf Course in Laurel and finished second or third in six tournaments held during season competition.

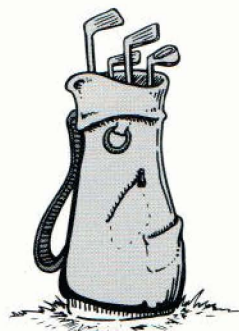

Stevens Competes In NJCAA Tourney

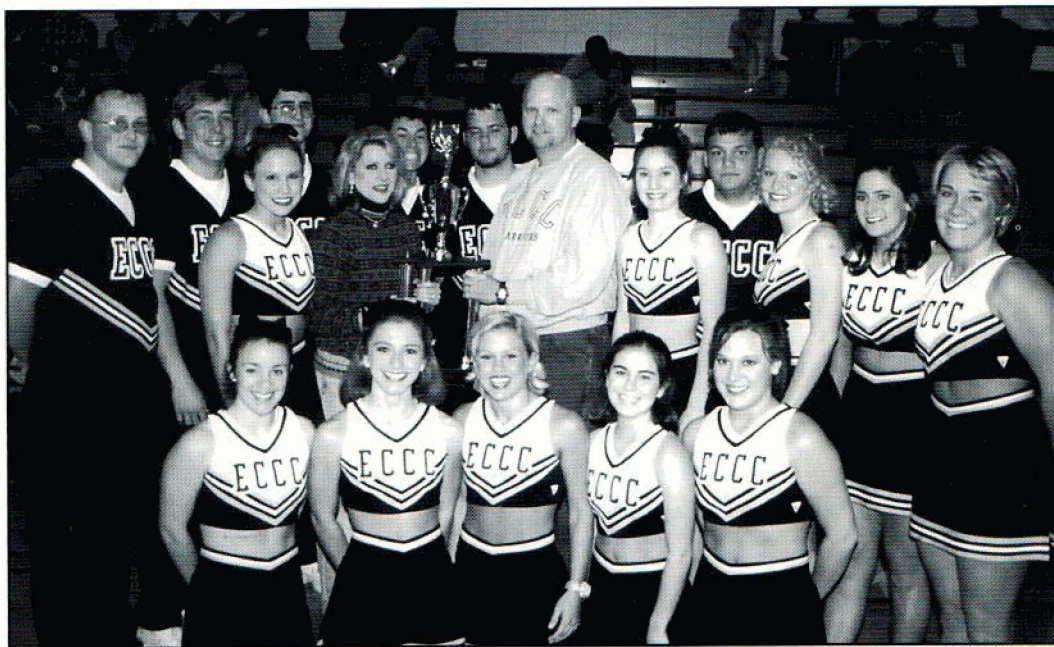

Warrior golfer Jeremy Stevens of Decatur carded a four-day total of 316 (81-80-77-78) and finished in the top 25 of the NJCAA Division III National Golf Championship held during June in Chautaugua, New York. Stevens was among 95 golfers competing for a top 15 finish and All-American honors. Stevens, a returning sophomore and product of Newton County High School, qualified for the national tournament following his participation in the Region 23/MACJC Division III Golf

Tournament held at the Pinebelt National Golf Course in Laurel. Stevens posted a two-day total of 162 (84-78) and placed fourth in the medalist competition. He was also named to the All-Region 23 Tournament Team.

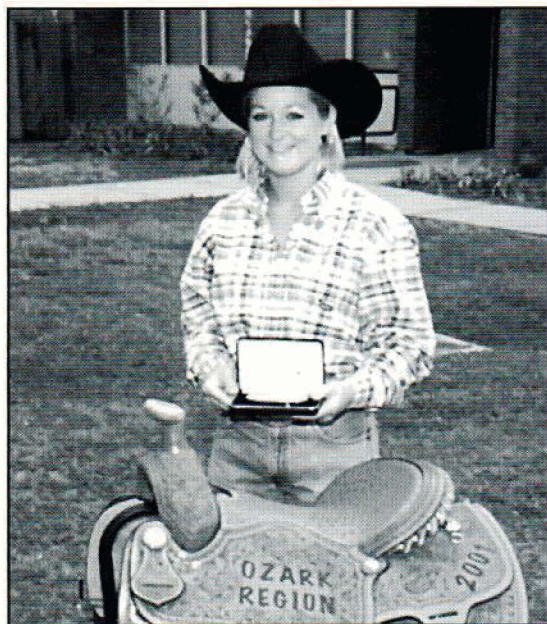

Cheerleaders Receive National Recognition

The 2000-2001 East Central Community College cheerleading squad took fourth place honors in a national cheerleading competition held January 11-14 in Orlando, Florida. The squad was one of only 12 junior colleges from throughout the nation selected by Universal Cheerleading Association (UCA) to participate in the annual competition. The cheerleaders presented their fourth place trophy to college representative Joe Killens (center), vice president for student services, at a 2001 home basketball game.

Pictured are (kneeling, from left) Leigh Ann Morrow of Enterprise, Courtney Graham of West Lauderdale, Kasey Comans of Newton County Academy, Kelly Walker of Neshoba Central and Keri Henley of Heidelberg Academy; (second row from left) LeAnn Eddins of Heidelberg Academy, 2000-2001 cheerleader sponsor Kim Mangum, Killens, Kristin Harris of Enterprise, Gina Wall and Brandi Bounds, both of West Lauderdale; and Lesli Crenshaw of Newton; and (back row, from left) Chris Van Etten of Scott Central, Jonathan McMillin of Winston Academy, Todd Babb of Pisgah, Lee Thompson of Morton, Andrew Latham of Forest and Heath Dye of Morton.

Wilson Wins Rodeo Competition

East Central Community College rodeo team member Sara Wilson of Mendenhall was crowned champion breakaway roper following competition held this spring at the University of Tennessee at Martin.

Wilson, a sophomore physical education major, received various awards – including a new saddle, plaque and \$470 in cash - for winning the regional event.

Wilson is a graduate of Puckett Attendance Center.

The ECCC Rodeo Team is a member of the National

Intercollegiate Rodeo Association and competes in the Ozark Region, which includes community colleges, four-year colleges and universities in Missouri, Arkansas, Alabama, Kentucky, Georgia, Tennessee, Michigan and Mississippi.

Larry Dial of Livingston, Alabama, serves as coach of the ECCC Rodeo Team.

ECCC Presented Judge's Cup

East Central Community College's Diamond Warriors held on for a 7-6 win over East Mississippi Community College this past season on a muddy Chris Gay IV Memorial Field to claim their second straight Judge's Cup, an award sponsored the past two years by Judge Little Sporting Goods in Meridian.

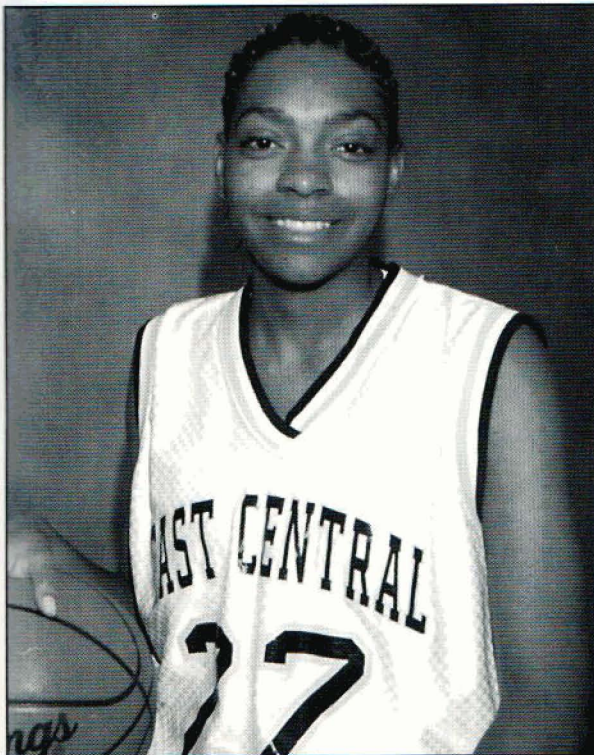

Pace Honored

Former East Central Community College women's basketball coach and athletic director Sammy Pace (center) was presented a plaque of appreciation from the Decatur Lions Club in recognition of his team's success during the 2000-2001 campaign. Shown making the presentation is club representative Bobby Addy (left) while ECCC President Dr. Phil A. Sutphin looks on. Coach Pace led the Lady Warriors to the Region 23 Tournament title and a berth in the NJCAA Tournament held in Salina, Kansas. He was also chosen Region 23 Women's Basketball Coach of the Year. The ECCC women completed season action with a 22-7 record. Pace retired in June following 16 years at EC, where his Lady Warrior teams

have compiled an overall record of 279 wins and 157 losses. Pace previously coached on the high school level, compiling an overall 134-57 mark.

In Memorium

The success of the 2000-01 East Central Community College women's basketball team was marred by the tragic loss of Lady Warrior La'Shonda Ford who was killed in an automobile accident on May 11 in Rankin County.

Ford, 19, had completed her freshman year as a member of the ECCC squad, which won the Region 23 Tournament and completed season action with a 22-7 record. A 5-9 forward, Ford averaged 3.9 points, 4.3 rebounds, 1.0 steal and 1.0 assist during the 2000-2001 campaign.

Sammy Pace, who recently retired after leading the Lady Warriors during their championship season, praised Ford as a natural leader and very hard worker. "She gave her full effort every time she was on the court," he said.

Ford was a 2000 graduate of Forest High School, where she helped lead the Lady Bearcats to a 36-3 record and a second-place finish in the State Class 3A Tournament. She was All-District and All-State in three sports – basketball, cross-country and track.

Former Forest assistant coach Chantelle Herchanhahn said of Ford: "She was a team oriented person. No matter her role on the track or the court, she wanted the team to succeed, and she worked for

the good of the team."

Ford is survived by her mother, Carolyn Ford Nettles, and a sister, Kinsasha Fortune.

WHAT IT MEANS TO BE A WINNER.

Winning isn't everything...but being a winner is. Because a winner looks at the scoreboard and, no matter what the final points reflect, takes pride in a game well played. It's called sportsmanship. And anyone who is a great sportsman is a winner throughout life.
